

# BLOCK PARTY

## Jar Quilt Block

### March Block

Fill your jar with vegetables, fruit, nuts, candy (no bugs this time)

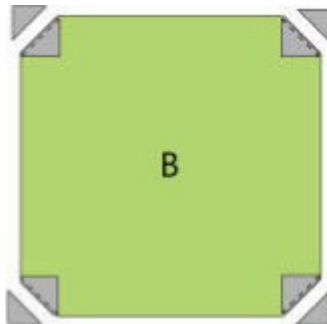

Fabric inside jar                      Cut 1 8 ½" x 8 ½" square  
Top of jar: grey or beige              Cut 1 1 ¾" x 5 ½" rectangle

Background: Black solid              See below for cutting  
Jar Corners                      Cut 4 1 ½" x 1 ½" squares  
Sides                              Cut 2 2 ½" x 8 ½" rectangles  
Bottom                              Cut 1 1 ½" x 12 ½" (may make block larger than 12 ½")  
Cap Sides                              Cut 2 1 ¾" x 4"  
Block Top                              Cut 1 2 ½" x 12 ½"

Draw a line from one corner to the opposite corner of each of the black 1 ½" squares.

Align a square in each corner of the jar fabric, as shown, right sides together. Take care to align raw edges as closely as possible. Stitch a seam directly on each drawn line. Trim excess edges leaving about ¼" past the seam line. Flip the corner patches right side up. Press toward the jar fabric.

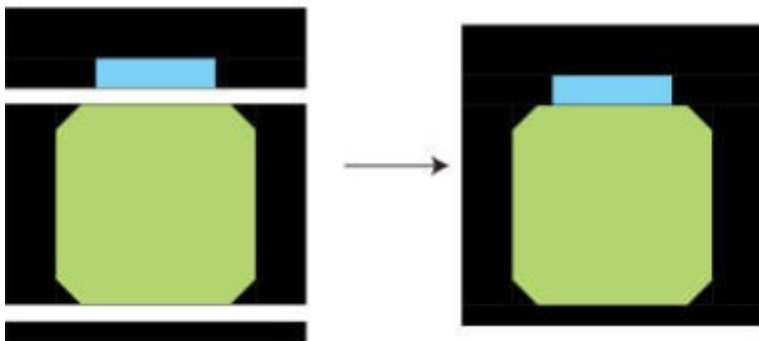

Sew sides to jar.

Sew black cap 1 3/4" x 4" on both sides of grey jar cap

Sew black top to top of jar cap

Sew to top of jar

Sew bottom to jar.

Your completed block should measure 12 1/2" x 12 1/2". If not big enough, repress and measure.

If too large, let the winner of the drawing square up.

### Monthly Block Party Information:

This is a monthly challenge with a new block pattern each month printed in the newsletter.

There are several ways to participate:

1. You can make the block and bring it to the next meeting. Each month a name is drawn for the winner of the blocks that month. You can only get the number of blocks that people participate that month.
2. If you are like me and never win anything, we have started a group of twelve that make blocks each month. At the end of the year we have a drawing to win one set of 12 blocks. This is a good way to make friends, make something new, and maybe have 12 blocks ready to make a quilt.
3. If you do not want to win blocks, make the block in Red, White and Blue each month to be donated to someone to make Wounded Warrior quilts.
4. You can make the same block to donate to the Ronald McDonald House project.
5. You can also make nine patch blocks to be donated to Project Linus.
