

**Snowball (6-1/2" unfinished square)
May 2016**

Make 4 blocks. Directions are for 1 block.

Light fabric: Cut one 6-1/2" square

Dark fabric: Cut four 2-1/2" squares (from the same fabric)

Draw a diagonal line on the back of the smaller squares. Place a small square right sides together on each corner of the larger square. Sew along the diagonal line, then fold along seam to open. Press, and trim excess fabric from each corner (1/4" seam allowance). Repeat for each corner.
