

Two-Color Quilt

This is an easy on-point quilt that can be made small or large by using 2" or 3" units. Fabric and cutting instructions for both sizes are included.

Chose one or the other and work with only one set of yardages and cutting instructions.

This quilt can also be made in multiple fabrics as shown in Oriental Odyssey.

Pre-Class Sewing

The light pinwheels form the center of all four types of blocks in the quilt center. You can make the best use of class time by making these units before class.

To make 18 centers, use 36 Light and 36 Background $2\frac{7}{8}$ " or $3\frac{7}{8}$ " squares to make 72 half square triangle units. Sew them together to make 18 pinwheel units as shown on the quilt. NOTE: When sewing the pinwheel units, make sure they all spin in the same direction.

Another time saver is to make 32 Dark/Background half square triangle units and 16 Light/Background half square triangle units. NOTE: You will have some Dark and Light $2\frac{7}{8}$ " or $3\frac{7}{8}$ " units left.

NOTE: Doing all cutting before class is another time saver. If you do not want to cut all the pieces, cut at least a few of each.

If you have any questions, do not hesitate to contact me.
