A Word from our President ~

Hi Quilters,

Summer is flying by!! I hope you are all staying cool and getting some quilting done. I am not getting as much accomplished as I had anticipated.

Do you ever think that you have too much quilting "stuff". One morning last week I went up to my sewing room and found a pile of books on the floor. One of the shelves in the bookcase had too many heavy quilting books on it and it fell leaving me with a problem to solve. One option was to delete some of them. I discarded that idea. I just had to rearrange the books to more evenly distribute the weight in the bookcase. Problem solved! I also had a shelf fall off the wall once because of too much quilting paraphernalia on it. That time I just used a different method to attach the shelves to the walls. Oh well, enough about me.

At the last general meeting we had a ballot to decide what to do with the Mongolian Silk quilt. The overwhelming result was to have a raffle among members. We will do this at the December and January meetings. We also had a questionnaire concerning stitch groups. We do have a high interest in starting new stitch groups. It looks like we need a day group and a night group. Let me know if you know of a good place to meet.

Thanks to all of you for making the QGOA a great place to be.

Please help at the membership table; signing in & greeting members & guests during your assigned month. Please mark your calendars.

Joining a group like the guild can be overwhelming. Here are a few ways we can help our new members and guests feel welcome and get plugged in.

1. Look for the colored name tags at the meetings. They indicate a guest or new member. Introduce yourself, sit by them, introduce them to others are a few ways to make them feel a part of the guild.
2. Invite them to join you at one of our stitch groups.
3. Invite them to coffee to get to know them one on one.

COMING IN OCTOBER.....

Mary Massey “Not Your Gramma’s Log Cabin”

Program October 11, 2011

Mary started quilting in 1977 and her first block was a Log Cabin. Some of you may have tried this as your first block also. It was a simple block made with strips of fabric sewn around a chimney square. In past years many variations of this block have been produced but the ones you will be seeing in her program will be very special and hopefully most of you have never seen them before. They are still simple but beautiful, possibly elegant if you can believe that.

Mary will have a trunk show of wall hangings, table runners and her quilts for you to view. Hopefully this will inspire you to make one of your own unique Log Cabin quilt.

~~ Nancy's Block Party Corner ~~

This is a **MONTHLY** Challenge! There is a new block pattern each month. Members may make as many blocks as they choose. *We would like for each member attending the meeting to turn in a least one block.* These blocks are collected at the meeting. Members get one ticket for each block turned in, placed in a box for a drawing. The member whose name is drawn, get all the Block Party blocks turned in. If there are 24 blocks turned in, 2 names will be drawn. We could have **MORE** winners if **EVERY** member in attendance turns in at least **ONE** block. We Average -- 60+ in attendance -- that would be 5 winners!!!

I have another challenge for you. Use the pattern to make the Block Party block. Then choose some fabrics to make another block each month. Keep this block. At the end of the year, you will have 12 blocks. Assemble the blocks into a sampler quilt and display the top in March. Everyone who show their sampler quilt from these blocks will receive a small gift. Or make a quilt using one or two of the patterns and show it at the March meeting.

Wounded Warrior Blocks ~~ We ask you to make the Block Party block in Red, White, and Blue fabrics. These blocks will be made into lap quilts for wounded soldiers. We have been taking them to the Military hospital in San Antonio.

October Retreat Is Full

The Day Retreat, Oct. 6-8, 2011 at the Pleasant Ridge Church of Christ is full.

We are taking wait list reservations. With life happening, there is always a chance a spot may open up, even at the last minute.

Dear Fellow Members,

Good News! Two more groups are now starting up, but they are small. One is making quilts, and the smallest is making tops and backs. They each stay home and simultaneously sew and visit electronically, which is neat for busy moms. I am still struggling to make tops for 2 meetings tho.

Many thanks to the donors at the August meeting and to Liz Cooper for doing a great job as liaison. Please help her and me by giving your names by your donations on her list, plus your complete addresses and phone numbers. If you are not yet in the directory. It saves us much time and effort.

Our wish list is for tops and backs 40" x 44", quilts 40" x 44", 40" or 50" fabric, print or solid, (broadcloth is fine, especially on sale!) and cash or stamps.

God bless all of you for your loyal support.

Much Love,

Liz Cooper

Quilters' Guild of Arlington Celebration Block

Makes One Twelve Inch Finished Block

Please review all instructions before making the block. Must be a light star in dark/medium background, block may be no larger than 12.5".

Need:

1. FABRIC A - 4.5" x 36" - MEDIUM TO DARK
2. FABRIC B - 2.5" x 20", plus 4.5" square - LIGHT that is suitable for name to be seen, no strong prints; 200 ct. muslin or plain fabric is suggested.
3. Batting - 13" square
4. 13-14" square backing fabric
5. Binding fabric - two 40 - 42" widths of fabric; cut 2.5" strips, miter for one strip, double fold

Cutting Instructions

*If you are going to heavily quilt, embellish or appliqué the block you may want to cut the pieces 4.5"x 5", then square up block to 12.5". Be careful to put star points on 4.5" side.

1. Cut 8* - 4.5" squares of medium to dark fabric - FABRIC A
If using a fat quarter, cut along short side (18") must be at least 18"; two strips of 4.5".
This will allow for 13" square for backing.
2. Cut 1* - 4.5" square light fabric - FABRIC B You may wish to embroider your name and 'Member Since' line before constructing the block
3. Cut 8 - 2.5" squares of same light fabric - FABRIC B
4. Cut 1 - 13-14 " square of backing fabric, may be same as A or different
5. Cut two 3" squares of either your backing or binding material, for 'hanging corners'
6. Cut 1 - 13 " square batting
7. Cut two (2) widths of fabric (40-42") cut 2.5" strips for binding.

Assembling Block - sew all seams with 1/4" accurate seam width

1. The star points are made using the stitch and flip method: Place a 2.5" sq. of fabric B in the corner of A with the right sides of the fabrics facing each other. With a pencil and ruler, mark a diagonal line on B from the corner to corner as shown. Sew on the line.
2. Trim patch 1/4" from sewn line. Press it gently to corner.
3. Repeat with another B patch on adjacent corner to create star points. Make total of 4 matching units for each of the star point units.
4. Join the matching units into rows with A patches as shown above; press the seams allowances toward the A's; middle row to B patch. Sew the rows together to complete the star block.

Finish

1. Quilt the block. You may embellish and quilt as desired to personalize your block! It cannot be larger than 12.5" square, so do nothing to extend size or 'dangle' off block.
2. Please make two 'hanging corners', see below for instructions.
3. Sew on the binding to the block.
4. Sign block in at least 3/4-1" lettering in middle of center square with permanent fabric pen or embroidery. Include this line under your name: **Member Since** - fill in year you joined QGOA!

Hanging Corners - Corner Triangles for Hanging a Small Quilt

1. Cut two 3" squares of your backing or binding material.
2. Fold in half diagonally. Press.
3. Align the folded triangles on the back of the quilt to the TOP right and left corners, raw edges even. Pin. Double check you placed the corners on the top corners!
4. Sew on the binding in your usual method.

Blocks will be retained by the QGOA for future exhibits.
