October Feature Presentation

Mary Massey "Not Your Gramma's Log Cabin"

Program October 11, 2011

Mary started quilting in 1977 and her first block was a Log Cabin. Some of you may have tried this as your first block also. It was a simple block made with strips of fabric sewn around a chimney square. In past years many variations of this block have been produced but the ones you will be seeing in her program will be very special and hopefully most of you have never seen them before. They are still simple but beautiful, possibly elegant if you can believe that.

Mary will have a trunk show of wall hangings, table runners and her quilts for you to view. Hopefully this will inspire you to make one of your own unique Log Cabin quilt.

In case of inclement weather:

In general, will do what the University of Texas of Arlington does. If they cancel evening classes we will cancel guild and board meetings.

A Word from our President ~

Hi Quilters,
I hope that wherever you were last night, September 16, you enjoyed some rain. We sure did. The cooler temperatures are nice too.

Some of my friends call me a "high powered finisher upper." That does not mean that I finish one quilt before starting another but I do usually finish them in a timely manner. Notice I said usually. I asked myself how many Unfinished Objects (UFOs) do I have? So I started counting. I have 8 quilts started before 2011 (but I just finished another one), 5 started in 2011 (3 of those tops are done) and 10 that other people have given me to finish (Am I obligated to finish those?). I have 5 tops that need to be quilted. I really do not think that is so bad. What about you?

We had the first meeting of the new stitch-still unnamed- last Monday. We had a great time. I want to invite you to join us on Monday, October 3 at Quilt Among Friends from 10am to 3 pm.

I truly hope that you have been enjoying our meetings and programs. Susan FitzGerald has done a great job of arranging excellent speakers. I especially enjoy learning from our own guild members. Susan has great programs lined up for 2012. You surely do not want to miss any of them. See you Tuesday, October 11 for the next meeting.

Joining a group like the guild can be overwhelming. Here are a few ways we can help our new members and guests feel welcome and get plugged in.

1. Look for the colored name tags at the meetings. They indicate a guest or new member. Introduce yourself, sit by them, introduce them to others are a few ways to make them feel a part of the guild.
2. Invite them to join you at one of our stitch groups.
3. Invite them to coffee to get to know them one on one.

~~ Nancy's Block Party Corner ~~

This is a **MONTHLY** Challenge! There is a new block pattern each month. Members may make as many blocks as they choose. *We would like for each member attending the meeting to turn in a least one block.* These blocks are collected at the meeting. Members get one ticket for each block turned in, placed in a box for a drawing. The member whose name is drawn, get all the Block Party blocks turned in. If there are 24 blocks turned in, 2 names will be drawn. We could have **MORE** winners if **EVERY** member in attendance turns in at least **ONE** block. We Average -- 60+ in attendance -- that would be 5 winners!!!

I have another challenge for you. Use the pattern to make the Block Party block. Then choose some fabrics to make another block each month. Keep this block. At the end of the year, you will have 12 blocks. Assemble the blocks into a sampler quilt and display the top in March. Everyone who show their sampler quilt from these blocks will receive a small gift. Or make a quilt using one or two of the patterns and show it at the March meeting.

Wounded Warrior Blocks ~~ We ask you to make the Block Party block in Red, White, and Blue fabrics. These blocks will be made into lap quilts for wounded soldiers. We have been taking them to the Military hospital in San Antonio.

Membership News

*****REMINDER*****

Don't forget to renew your membership for 2011 and pay your dues for the new year. Membership form on page 15. You don't want to miss all the interesting speakers and exciting new workshops, retreats, and fun!

**LAND YOUR
UFO's in 2011**

Every time you bring a finished quilt to show off at a guild meeting that was begun prior to 2011, sign Nancy's "Finished UFO Book". At the December meeting, she will draw a name from the book's entries and the winner will receive a gift certificate. The more UFOs that you finish, the more chances you will have to win! Now you have no excuse, **FINISH THOSE UFOs!**

I would like to thank my Friends in the guild for the cards, visits, phone calls, books, quilting magazines and food while I was having surgery, rehab and are still recovering at home from my broken thigh. I miss all the meetings and visits with all of you and hope to be back in a few weeks.

Thanks again!

*Sincerely,
Helga Smith*

Wounded Warrior Quilts

One of our members will be taking Wounded Warrior quilts to Brooke Army Hospital in San Antonio right before Thanksgiving. Please finish any that you've started and get them to me no later than the Nov. 8 guild meeting. Please put a label on the quilt as we want our wounded heros to know that the placeCityArlington Guild cares. You can word it any way you want, or put, "Quilted for An American Hero by Quilter's Guild of Arlington, Texas", (date) and then your name...if you prefer not to put your name...just put your first name.

Thanks to Carol Ramsey for offering to take this group of quilts. It really helps. If you still want to participate in this project but haven't yet, see Nancy Conner for patriotic blocks from the Block Party. That will be a good start for you.

For any new member that is interested in this project, we try to make the quilts 50" X 50", but a little larger or smaller is ok. They don't have to be red/white/blue, any color will work. Thanks for everybody's help on this project.

The Alzheimer's Art Quilt Initiative (AAQI)
Raising Awareness & Funding Research Through Art

Our January 2010 guest speaker, Ami Simms, of Flint, Michigan is the founder and executive director of the AAQI, a 501(c)(3) nonprofit operated entirely by volunteers. She is a quilter, and her mother had Alzheimer's.

Make finding a cure for Alzheimer's disease a priority. QGOA would like to challenge you by creating mini art quilt in any theme with a maximum size of just 9" x 12" (so that it fits a USPS Priority Mailer without folding.)

This project is an ongoing event.

There are an estimated 5.3 million Americans with Alzheimer's disease. We believe we can help Ami and AAQI make a difference, one quilt at a time.

Guild Volunteer Positions

It is that time again to organize the officers and committee chair positions for leadership of our wonderful guild! This is an all volunteer, non-profit organization and we need members to assume various duties to help in the management and continuation of our guild, its activities, and goals.

We need your help and input. We need you to volunteer for a position. We need you to assist those that do volunteer. We need you to accept the responsibility of your membership in that at some time in your membership you volunteer. We need you to again volunteer if it has been years since you last volunteered for a leadership position.

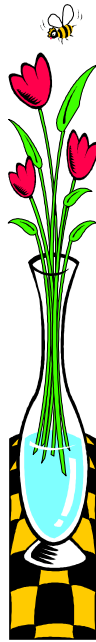

The Nominating Committee is organizing the slate of Executive Board members for 2012. If interested in being President, Vice-President/Programs, Secretary, or Treasurer - please contact Libby McDuffie

Look at the list of officer positions for the guild and also for the Festival of Quilts. All of those positions also need to be filled for us to continue our fine traditions as the Quilters' Guild of Arlington.

Other News:
 Dec meeting is our **Brown Bag**. We are taking donations now!

We logged 203 Volunteer hours in August! Way to go!!
 Setpember meeting we had:

Don't forget to record your volunteer hours each month when you sign-in. This information is important to our guild's non-profit status and helpful with grant application for funding of the quilt show. Remember anything you do to promote the guild or quilting or community outreach through quilting counts.

Don't forget to renew your membership for 2011. Our guild membership year begins in January. Remember that the directory you received is a permanent one. Updates will be made to it after the beginning of the year, including new yearly information pages to replace the ones you have.

COMMUNITY SERVICE AND VOLUNTEER HOURS

The tracking of the Volunteer Hours is just a means to tally hours spent in community service by our members. This record is to celebrate with you a job well done and in no way is used to compare or judge.

What does it matter? For one, it is used if we apply for grants. It was also used to help justify our IRS status. What counts? Well, anything that promotes quilting.

Our guild regularly offers opportunities to use quilting for the community for members wanting to participate. We participate in:

- Wounded warrior quilts
- Linus project
- Ronald McDonald quilts
- Susan G. Komen miniature auction.

All the hours spent on making those can be recorded as volunteer hours. Also, hours spent on guild business and selling donation quilt tickets. In addition, there are members who teach friends and neighbors to quilt without monetary compensation, and those hours count. If you make quilts for victims of disasters-that would count. The time spent making a quilt that is donated to a charity for its raffle I think could be reported.

We all want to help the community and this is a way to do it. Many of us have other avenues of giving and that is a wonderful thing. Many of us have little time to devote to such activities for a variety of reasons-working, caring for family, our own projects, etc. I also know that we do not necessarily want recognition for what we do.

Just know that what ever you do for others is appreciated and we just want to celebrate our efforts together.

So, record those hours.
