Words from Our Guild President

During our Annual Festival of Quilts Show I found it takes a lot of hard work and dedication from our members to organize this event.

Thank you to Judy O'Polka and the "All Things Green" Show Committee, your guidance and experience in planning produced a top notch show! Thank you to everyone who entered quilts, put up and took down signs, set-up and took down the event, cooked, baked, helped vendors and volunteered husbands. It truly takes a village to get the job finished.

Wow, our show entrants submitted fabulously pieced and stitched quilts. I overheard several attendees talking about the outstanding quality of the quilts in our show! It made me beam with pride! Our guild is so lucky to have so many accomplished quilters! Thank you for entering your beautiful creations! Now is the time to start thinking of what you will enter in our next quilt show!

Congratulations to Sabina Thompson, our Best In Show winner! Congratulations to Anne Jones on winning the Viewer's Choice Award, Ouida Bost Award and Blue Ribbons in both Master Piecing and Hand Quilting. Congratulations to everyone who won ribbons!

We greatly appreciate our vendors, guild members, and volunteers. To all who attended, thank you for choosing to spend your time with us. Most of all we appreciate our Sponsors: Arlington Sewing Machine, Lone Star House of Quilts, and Peggy's Quilt Studio.

Sew Happy,
Susan FitzGerald
President

Next Workshop

September 11 - Winnie Fleming - "Borders"

Winnie's expertise lies in the challenge of mathematically figuring the size of borders, "floater" borders, mitering borders, and making scrap quilts.

Through her intensive studying of various quilt blocks and borders, she has developed no-fail formulas for every quilter to calculate the exact cutting size for adding "floater" and mitered borders to their own specific quilt. While most quilters would shy away from the math of quilting, Winnie takes all the fear away and makes it quite easy and fun. The result is enhanced borders, increased confidence, and a true sense of pride and satisfaction.

Monthly Block Party Information:

This is a monthly challenge with a new block pattern each month printed in the newsletter.

There are several ways to participate:

1. You can make the block and bring it to the next meeting. Each month a name is drawn for the winner of the blocks that month. You can only get the number of blocks that people participate that month.
2. If you are like me and never win anything, we have started a group of twelve that make blocks each month. At the end of the year we have a drawing to win one set of 12 blocks. This is a good way to make friends, make something new, and maybe have 12 blocks ready to make a quilt.
3. If you do not want to win blocks, make the block in Red, White and Blue each month to be donated to someone to make Wounded Warrior quilts.
4. You can make the same block to donate to the Ronald McDonald House project.
5. You can also make nine patch blocks to be donated to Project Linus.

Project Linus

Dear Members,

Many thanks to our May donors; Happy Johns, Janice Christy, Gayle LaCerde, Dale Scott, Jolene Mershon, Ella Rushing and Anonymous. Please remember to pin a piece of paper with your name (or an address label) on your donation; we want to recognize your generosity.

This Chapter of Project Linus meets the 2nd and 4th Thursdays of the month at South Cliff Baptist Church (SCBC) 4100 SW Loop 820 Fort Worth for MAKE-A-BLANKET day. We meet from 9 to 3 pm in the entry way at the church. Please bring your machine and join in the fun of sewing sandwiches, tying quilts and making new pieces. Also bring a sack lunch, there are drinks available from a machine for a small fee. This month we are saying "bye and happy sewing" to our leader Debbie so we are bringing a covered dish to share.

We take donations of completed quilts, fabric, needles, cutters, thread, batting, about anything to make a blanket. Sometimes there is fabric available to piece if you want to take some home.

For questions, please feel free to contact us at: plinusftw@att.net or call Mary Ann at 817-294-4625.

Below are the hospital requested measurements

Calling all Creative Designers!

It's time to get those creative juices flowing. In 2014, QGOA will celebrate a milestone. In case you didn't know, QGOA was established in 1984 and next year we will celebrate in several ways. One of those celebrations will be the creation of a t-shirt to commemorate those 30 years of quilting in Arlington. Your ideas for this special t-shirt are needed. We would like to have all ideas and suggestions within the next three months.

Please bring your ideas and creative drawings to the guild meetings so that a special shirt can be created.
