Artist Statement

Jo Lynn O'Neil

In 2000, after working for 23 years as a police dispatcher in LaPorte, TX I had the opportunity to retire and immediately did so! I had been quilting seriously for about 4 years and finishing my quilts on my domestic sewing machine. I finally got brave enough to purchase my first Gammill and my wonderful husband agreed to let me keep it in the living room! In 2002 we moved to Santo, TX where my family roots are and built a new home with half of the house being my studio and work area for the Gammill long-arm quilting machine. I have since upgraded the machine a couple of times and now have the pleasure of owning a Statler Stitcher Gammill. I love the unlimited possibilities that it affords me as an artist. I can use pre-programmed designs or free hand quilting. I often combine the two for a unique style. I have gotten to work on a large variety of quilts over the last 12 years of quilting for the public. I have had the honor of winning the "merit" long-arm quilting award at the Quilter's Guild of Parker County show numerous times. I have also won merit long-arm ribbons in the Baytown and Stephenville shows. Also, quilts that I have quilted have won "Best of Show" awards in 8 of the Parker County shows and Stephenville show. Several of my quilts have been juried into the Houston International Quilt Show. In May of 2014 I attended the National Quilting Association's class on quilt show judging. I am currently enrolled in the NQA's certified judging program where I am working on becoming a certified judge. I have previously judged shows in Baytown, Breckenridge, Palo Pinto County fair, and the Fort Worth Quilt Guild. I have also worked closely with certified judges this year at the Trinity Valley QS and the Stephenville QS. I am currently teaching at Cabbage Rose Quilting in Fort Worth and Flying Needle in Stephenville and presenting programs and workshops to local quilt guilds.

Quilt Shows and Shop Hops

Dear Guild Leader,

Tactile Architecture™ is an exhibit that showcases architectural quilts. The quilt may feature any type of building or be a close up of an architectural detail. It may be realistic or an abstract interpretation. This exhibit will premiere at the International Quilt Market and Festival, October 24–November 1, 2015.

We would like to invite you and your guild to have your best work shown in this exciting exhibit focusing on quilts inspired by architecture.

Quilts must be a minimum of 25" x 25". There is no "made after" date requirement. Please do not submit a quilt that was included in a previous edition of *Tactile Architecture*™. Completed submissions with visuals must be received online by Sunday, May 17, 2015. We would also like to retain quilts for possible exhibit at International Quilt Festivals in 2016.

The registration link for *Tactile Architecture*™ is http://callforentriesarchitecture.com/register/new_artist and the link for the information page is <http://callforentriesarchitecture.com/>.

QGOA Volunteer Hours

In June we had members reported 266 volunteer hours!

Display Case

Billie Brecheen who has done a wonderful job on the guilds display case has some requests from us. She is looking for orphan blocks, mini quilts or blocks from different members.

August-vacations, camping, boating, hiking, fishing.

September-back to school, classroom, apples, abc's, 1,2,3's.

**Please put your name on your things. So Billie can get them back to you.

QGOA Celebration Blocks

If you don't have a Celebration Block made for the guild. Now is the time to make one. These blocks are hung in our show each year to show that YOU are a vital part of this guild. This block can be as simple or complicated as you desire.

So, go get some fabric that describes you and get this block completed!

The directions for Celebration Block on next page.

Dear Guild Members: Another wonderful month of giving comfort to children in need of better health and security. Project Linus received quilts, fabric, fleece blankets, pre-cut kits, Afghans, bolts of fabric and bolts of fleece. Yes, you just read that right, I said BOLTS. This guild and its members are the most generous I have ever witnessed.

Linus would like to thank Janice and David Mowery, Randa Dillon, Judy Liston, Rose Redding, Pat Hall, Jolene Mershon, Linda Nabors, Elizabeth Carr, Elaine Grasher, Janice Farris, and anonymous. If I missed you I apologize. Just know you are appreciated. You all work so hard to make a beautiful creation with choices of fabric, fleece, and yarn and do a phenomenal job that is sure to please the child or young adult that chooses it to snuggle..

Linus meets the 2nd and 4th Thursdays of the month at Southcliff Baptist Church 4100 SW Loop 820 from 9-3 in their entry way. We bring sewing machines, notions, yarn for knit or crochet, sack lunch and gab and make blankets. We assemble quilt sandwiches to be sewn, piece tops, apply labels, tie and share experiences of wisdom. We're old enough, I think wisdom is appropriate.

Projectlinus.org has lots of ideas for quick quilt making, etc. Also Quiltmaker Magazine at www.quilter.com/pattern/project supports Linus with free patterns dedicated to Linus.

As a reminder, the hospitals request quilts/blankets measuring: Children 40 x 44 Larger kids: 44 x 57 or similar measurements. When you are getting rid of stuff that is no longer of use to you, remember Linus will try to repurpose those donations. If you don't have time to join us feel free to drop off any donations you have and maybe even stay for show and tell.

Remember the work we do for our guild and our community enriches us and the generations to come.

Sincerely,
Elizabeth Cooper

Quilters' Guild of Arlington Celebration Block

Makes One Twelve Inch Finished Block

Please review all instructions before making the block. Must be a light star in dark/medium background, block may be no larger than 12.5".

Need: 1. FABRIC A - 4.5" x 36" - MEDIUM TO DARK 2. FABRIC B - 2.5" x 20", plus 4.5" square - LIGHT that is suitable for name to be seen, no strong prints; 200 ct. muslin or plain fabric is suggested. 3. Batting - 13" square 4. 13-14" square backing fabric 5. Binding fabric - two 40 - 42" widths of fabric; cut 2.5" strips, miter for one strip, double fold

Cutting Instructions

*If you are going to heavily quilt, embellish or appliqué the block you may want to cut the pieces 4.5"x 5", then square up block to 12.5". Be careful to put star points on 4.5" side.

Cut 8* - 4.5" squares of medium to dark fabric - FABRIC A If using a fat quarter, cut along short side (18") must be at least 18"; two strips of 4.5". This will allow for 13" square for backing.

Cut 1* - 4.5" square light fabric - FABRIC B You may wish to embroider your name and „Member Since“ line before constructing the block

Cut 8 - 2.5" squares of same light fabric - FABRIC B

Cut 1 -13-14 " square of backing fabric, may be same as A or different

Cut two 3" squares of either your backing or binding material, for „hanging corners“

Cut 1 - 13 " square batting

Cut two (2) widths of fabric (40-42") cut 2.5" strips for binding.

Assembling Block - sew all seams with 1/4" accurate seam width

1. The star points are made using the stitch and flip method: Place a 2.5" sq. of fabric B in the corner of A with the right sides of the fabrics facing each other. With a pencil and ruler, mark a diagonal line on B from the corner to corner as shown. Sew on the line.
2. Trim patch 1/4" from sewn line. Press it gently to corner.
3. Repeat with another B patch on adjacent corner to create star points. Make total of 4 matching units for each of the star point units.
4. Join the matching units into rows with A patches as shown above; press the seams allowances toward the A's; middle row to B patch. Sew the rows together to complete the star block. Finish
1. Quilt the block. You may embellish and quilt as desired to personalize your block! It cannot be larger than 12.5" square, so do nothing to extend size or 'dangle' off block.
2. Please make two „hanging corners“, see below for instructions.
3. Sew on the binding to the block.
4. Sign block in at least 3/4-1" lettering in middle of center square with permanent fabric pen or embroidery. Include this line under your name: Member Since - fill in year you joined QGOA!

Hanging Corners - Corner Triangles for Hanging a Small Quilt

1. Cut two 3" squares of your backing or binding material.
2. Fold in half diagonally. Press.
3. Align the folded triangles on the back of the quilt to the TOP right and left corners, raw edges even. Pin. Double check you placed the corners on the top corners!
4. Sew on the binding in your usual method.

Blocks will be retained by the QGOA for future exhibits.

Block Party 2015

Emails have gone out to almost all participants giving an update on the blocks that have been turned in. If for some reason you don't think you'll be able to participate, please let me know as soon as possible. We currently have 36 slots filled, which is 3 full groups (a handful of people are doing 2 sets of blocks).

If you think you have turned blocks in that I haven't given you credit for, I will have all blocks at the guild meeting. Thanks to everyone for your participation!

August—Deep Eddy (12" finished square)

Light: Eight 4" squares for half square triangles

Medium: Four 4" squares for half square triangles

2015 Donation Quilt
"Friendship Garden"

2015 QGOA Donation Quilt "Friendship Garden"

"Friendship Garden" was adapted from designer Kim McLean's "Hearts and Flowers" pattern found in Kaffe Fassett's *Quilt Romance* book.

The pattern was redesigned, pieced, and quilted by Nancy Spell with appliqué help from the Friendship Stitches group.

The center medallion focal point heart is inset with scalloped, pieced, and hand appliqué blocks with borders featuring a "Reflection" motif.

The 90" X 90" quilt was constructed using silk thread, a mix of Kaffe Fassett's 100% cotton fabrics and batting.

GUILD MEMBER CHALLENGE:

I challenge you to sell at least (4) books of tickets or more and help us reach our goal of \$5,000 in ticket sales! This is \$20 worth of tickets and if sold or purchased by the guild member, would give our guild over \$3,600 in ticket sales, well on our way to meet our goal!

Give your friends the opportunity to win this beautiful quilt!

The tickets for the quilt are \$1 each, or 6 for \$5. The drawing will be held at our general meeting on December 8, 2015. A portion of the raised funds will be donated to SafeHaven.

Your donation ticket packets are available from Susan FitzGerald or Judy Liston at the guild meetings. Please consider scheduling a time to sit with the quilt at various 'Sell Ticket' events during the year.

Row By Row Experience-June 21-Sept 8.

If you don't know what it is go to www.rowbyrowexperience.com to check it out. You will find all the rules and what shops are participating (most of our local shops are). You will also be able to see all the pictures of the patterns from each shop and they are CUTE! You can go [Here](#) to find all the stores in Texas that are participating.

Visit our local quilt stores and pick up one of their row patterns to complete your 8 row by row quilt. Be the first to turn your quilt into a shop and win 25 fat quarters. Now, that is incentive if I ever heard one. So get ready to shop hop at 8 different shops and get to quilting a row quilt.

In our guild we have had groups of women spend the day doing a shop hop together to pick up their kits at different shops in the metroplex. It is a fun way to spend the day and then challenge each other on getting your quilt finished.

I look forward to seeing row by row quilts at show and tell.
