September Meeting Lerlene Nevaril Hidden Blocks

Lerlene has been quilting since 1979 when she picked up her first copy of Quilter's Newsletter magazine. She organized a quilt guild in Sioux City, Iowa.

In 1996, with a business partner Lerlene opened Heart & Hand Dry Goods Co., a quilt shop in Sioux City. In 1999, Heart & Hand was one of the ten shops featured in American Patchwork and Quilting's Quilt Sampler magazine.

Lerlene published her first book, Hidden Block Quilts, in 2002, and she left her quilt shop the following year to devote more time to traveling and writing. She wrote Crowning Glories, another hidden block book in 2005, and Over Easy: Creative Ideas for Pieced Quilt Backs in 2006.

Lerlene is going to be giving us a workshop September 9th, 9-4 at Sew Fabricated called Diamond Star Workshop. Don't forget to sign up!

August Meeting Quilting As You Go

One station is named "Twisters". Other stations are: "The Versatile Half Square Triangle" and "On Point". You don't want to miss this meeting; you never know what you might learn!

Golden Spool

Last month we presented two Golden Spool awards. As the golden spool representative I was proud to give our newest members of the Golden Spool award.

Our First Golden spool for the night was **Kaye Huffman** Kaye moved back to this area after retiring to be close to her mother. Kaye is a natural leader she has been a active member of the Easter Star. Kaye has only been a member about 4 years but in that time she has shown a great spirit of volunteerism. Kaye took on the job as assistant quilt show chairman in 2014 and then was our 2015 Quilt show chairman. She did a great job as we had outside guild members comment on how great the show was this year and the quality of the quilts. Our show was very successful. She is a member of the **Every Other Tuesday Stitch Group**.

Our Second Golden Spool was **Dwain Edwards**. After joining the guild Dwain immediately became active in the goings on of the guild. The first person to ask was Randa Dillion. As President, Randa had a need for treasurer after the year had already begun; Dwain stepped up to the challenge.

Dwain has a home business for long arm quilting and he took on quilting for free Wounded Warrior quilts, he then worked tirelessly on the cookbook for our 30th anniversary and contributing for the last three years on the quilt show. (quilt show judging, appraisals, hanging quilts, etc.)

I was proud as charter member and the golden spool representative of the quilters' guild to present these two people with their Golden Spool award.

Quilt Shows and Shop Hops

Dear Guild Leader,

Tactile Architecture™ is an exhibit that showcases architectural quilts. The quilt may feature any type of building or be a close up of an architectural detail. It may be realistic or an abstract interpretation. This exhibit will premiere at the International Quilt Market and Festival, October 24–November 1, 2015.

We would like to invite you and your guild to have your best work shown in this exciting exhibit focusing on quilts inspired by architecture.

Quilts must be a minimum of 25" x 25". There is no "made after" date requirement. Please do not submit a quilt that was included in a previous edition of *Tactile Architecture*™. Completed submissions with visuals must be received online by Sunday, May 17, 2015. We would also like to retain quilts for possible exhibit at International Quilt Festivals in 2016.

The registration link for *Tactile Architecture*™ is http://callforentriesarchitecture.com/register/new_artist and the link for the information page is <http://callforentriesarchitecture.com/>.

QGOA Volunteer Hours

In July we had members report 559 volunteer hours!

What an amazing group of quilter's we have that donate so much time and talent to the community!

Display Case

Billie Brecheen who has done a wonderful job on the guilds display case has some requests from us. She is looking for orphan blocks, mini quilts or blocks from different members.

August-vacations, camping, boating, hiking, fishing.

September-back to school, classroom, apples, abc's, 1,2,3's.

**Please put your name on your things. So Billie can get them back to you.

Dear ones what a hot month in more ways than one. Yes the temperatures have soared and those triple digits they predicted got here. And the guild made it a hot month for Linus. Linus received tops, backs, bolts of fabric, afghans, thread, batting, fabric panels, fleece, quilts, yarn, and notions. All these are going to kids 0-18 in need of support as they and their courageous family battle illness.

Project Linus would like to thank Janice Farris, Judy Liston, Janice mowery, randa dillon, Jolene mershon, happy johns, Jaye McLaughlin, sherry Livingston, Ella rushing (pat), Elizabeth Carr, sheila kinsey, patricia eckstrom and anonymous. One meeting of Friendship Stitchers Janice Mowery brought fleece pieces that we cut with skip cut edges to be crocheted. And we received them the next meeting with edges added to camouflage, weenie dogs, and dinosaur fleece. The donation quilt patterns, fleece prints and afghans give the kiddos a giant selection of security blankets to choose.

Project Linus meets the 2nd & 4th Thursdays of the month at 4100 SW Loop 820, Southcliff Baptist church (Granbury exit) from 9-3. We bring our machines, notions, and sack lunch and sew to our hearts delight or time to leave. We share experience and often have instruction classes for simple yet darling quilt patterns. Since Linus distributes about 300 quilts a month, there is lots of production at our meetings and home. Just last meeting the count for the day was 230. Whew!! Lots of great folks sewing to make someone's illness less serious.

Online www.projectlinus.org. has many free patterns available and Quiltermaker magazine produces a free pattern every year for Linus at www.quiltermaker.com/patterns/projectlinus. So there are lots of options out there for your choosing. Come sew with us while we sew and talk and sew and eat and sew and sew.

The hospitals request sizes: approximately 40 x 44 and larger kids 40 x 57. These quilts are wheeled around to the rooms and the kids get to pick their own favorite. Linus also sponsors donation quilts for "Snowball Express" which occurs in December in Dallas or Fort Worth. Membership to this group is the death of a parent in the military. Snowball gives these kids a trip, entertainment, and a quilt, which is no compensation for what they have lost, but these donations do help. Please join us in our effort to offer comfort to any child in need of warmth and compassion.

Remember the work we do for our guild and our community enriches us and generations to come. Sincerely, Elizabeth Cooper.

Quilters' Guild of Arlington Celebration Block

Makes One Twelve Inch Finished Block

Please review all instructions before making the block. Must be a light star in dark/medium background, block may be no larger than 12.5".

Need: 1. FABRIC A - 4.5" x 36" - MEDIUM TO DARK 2. FABRIC B - 2.5" x 20", plus 4.5" square - LIGHT that is suitable for name to be seen, no strong prints; 200 ct. muslin or plain fabric is suggested. 3. Batting - 13" square 4. 13-14" square backing fabric 5. Binding fabric - two 40 - 42" widths of fabric; cut 2.5" strips, miter for one strip, double fold

Cutting Instructions

*If you are going to heavily quilt, embellish or appliqué the block you may want to cut the pieces 4.5"x 5", then square up block to 12.5". Be careful to put star points on 4.5" side.

Cut 8* - 4.5" squares of medium to dark fabric - FABRIC A If using a fat quarter, cut along short side (18") must be at least 18"; two strips of 4.5". This will allow for 13" square for backing.

Cut 1* - 4.5" square light fabric - FABRIC B You may wish to embroider your name and „Member Since“ line before constructing the block

Cut 8 - 2.5" squares of same light fabric - FABRIC B

Cut 1 -13-14 " square of backing fabric, may be same as A or different

Cut two 3" squares of either your backing or binding material, for „hanging corners“

Cut 1 - 13 " square batting

Cut two (2) widths of fabric (40-42") cut 2.5" strips for binding.

Assembling Block - sew all seams with 1/4" accurate seam width

1. The star points are made using the stitch and flip method: Place a 2.5" sq. of fabric B in the corner of A with the right sides of the fabrics facing each other. With a pencil and ruler, mark a diagonal line on B from the corner to corner as shown. Sew on the line.
2. Trim patch 1/4" from sewn line. Press it gently to corner.
3. Repeat with another B patch on adjacent corner to create star points. Make total of 4 matching units for each of the star point units.
4. Join the matching units into rows with A patches as shown above; press the seams allowances toward the A's; middle row to B patch. Sew the rows together to complete the star block. Finish
1. Quilt the block. You may embellish and quilt as desired to personalize your block! It cannot be larger than 12.5" square, so do nothing to extend size or 'dangle' off block.
2. Please make two „hanging corners“, see below for instructions.
3. Sew on the binding to the block.
4. Sign block in at least 3/4-1" lettering in middle of center square with permanent fabric pen or embroidery. Include this line under your name: Member Since - fill in year you joined QGOA!

Hanging Corners - Corner Triangles for Hanging a Small Quilt

1. Cut two 3" squares of your backing or binding material.
2. Fold in half diagonally. Press.
3. Align the folded triangles on the back of the quilt to the TOP right and left corners, raw edges even. Pin. Double check you placed the corners on the top corners!
4. Sew on the binding in your usual method.

Blocks will be retained by the QGOA for future exhibits.

Block Party 2015

Rainbow Charm

Make out of assorted colors, such as pinks, purples, greens, oranges, reds, yellows, etc., with a solid white or white tone on tone background.

Background White on White or Solid White:

Cut four 3-1/2 inch squares

Cut four 2 x 2 squares, then cut in half along the diagonal to make half square triangles

From each of the remaining 8 fabrics:

One 2 x 5 rectangle

One 2 x 3-1/2 rectangle

One 2 x 2 square, cut in half along the diagonal to make half square triangles (you will only use one triangle from each fabric)

Sew each colored triangle to a background triangle to make each half square triangle.

2015 Donation Quilt
"Friendship Garden"

2015 QGOA Donation Quilt "Friendship Garden"

"Friendship Garden" was adapted from designer Kim McLean's "Hearts and Flowers" pattern found in Kaffe Fassett's *Quilt Romance* book.

The pattern was redesigned, pieced, and quilted by Nancy Spell with appliqué help from the Friendship Stitchers group.

The center medallion focal point heart is inset with scalloped, pieced, and hand appliqué blocks with borders featuring a "Reflection" motif.

The 90" X 90" quilt was constructed using silk thread, a mix of Kaffe Fassett's 100% cotton fabrics and batting.

GUILD MEMBER CHALLENGE:

I challenge you to sell at least (4) books of tickets or more and help us reach our goal of \$5,000 in ticket sales! This is \$20 worth of tickets and if sold or purchased by the guild member, would give our guild over \$3,600 in ticket sales, well on our way to meet our goal!

Give your friends the opportunity to win this beautiful quilt!

The tickets for the quilt are \$1 each, or 6 for \$5. The drawing will be held at our general meeting on December 8, 2015. A portion of the raised funds will be donated to SafeHaven.

Your donation ticket packets are available from Susan FitzGerald or Judy Liston at the guild meetings.

Please consider scheduling a time to sit with the quilt at various 'Sell Ticket' events during the year.

Row By Row Experience-June 21-Sept 8.

If you don't know what it is go to www.rowbyrowexperience.com to check it out. You will find all the rules and what shops are participating (most of our local shops are). You will also be able to see all the pictures of the patterns from each shop and they are CUTE! You can go [Here](#) to find all the stores in Texas that are participating.

Visit our local quilt stores and pick up one of their row patterns to complete your 8 row by row quilt. Be the first to turn your quilt into a shop and win 25 fat quarters. Now, that is incentive if I ever heard one. So get ready to shop hop at 8 different shops and get to quilting a row quilt.

In our guild we have had groups of women spend the day doing a shop hop together to pick up their kits at different shops in the metroplex. It is a fun way to spend the day and then challenge each other on getting your quilt finished.

I look forward to seeing row by row quilts at show and tell.
