June Meeting Members Potluck

Every year about this time we have a potluck dinner. We will be hearing from the Sew Touching group about Alzheimer's fidget quilts among other enjoyable things. It is an exciting night for everyone.

Members are to bring those delicious dishes to share and board members will bring desserts. It would be nice if you could bring your recipes on cards or sheets of paper so we all can enjoy your dishes at home. If your dish is in cookbook let us know what the name is and page number.

Hope to see you there!

2018 Donation Quilt Wanted

A request to our very talented, creative guild members: Which of you will take up the challenge of creating our 2018 fundraising quilt? You can do it all yourself, enlist a few friends or your stitch group for an exciting group project with plenty of time to complete it. Interested? Contact Sharon Ligon for more information or to accept the challenge.

May Meeting 2016 Quilt Show Winner's Circle!

Join us as we celebrate our 2016 entries and winners with special recognition. It's a great time to see their talent and workmanship, and to hear the stories they may share of making their quilts and fabric art. You can ask questions, ooh and ah and just see them once again. Come show your support to the many inspirational quilters within our guild.

We also ask that those attending the April Workshop with Flavin Glover bring their quilts for Show & Tell. It was a great workshop, and we would love to see what everyone made!

See you there!

TAQG Goodie Bags

Rally Day is July 9th and the guild is responsible for making 500 mug rugs to go in the goodie bags. It has been requested that each member make at least 5 or more.

Get your stitch groups together to make a bunch like Sew and Sews has done. There will be another group that will get together on May 11th at 10am at Susan Fitzgerald's house anyone is welcome. Please look her address up in directory.

We only have about 80 at this time. Here is a link where you can download a pattern. http://allsorts.typepad.com/allsorts/2006/11/crisscross_coas.html

They need to be 4-5' square, don't need batting unless very thin, flannel would work if you would like. You can also use your own pattern as well.

2016 Festival of Quilts – Ties that Bind

The 2016 Quilt Show was amazing! There were so many outstanding quilts. The quilt show was a great showcase of the level of talent our guild has.

Many thanks go out to our quilt show committee members for all of their hard work. Our guild members go above and beyond to make this show possible and deserve our many thanks. We heard so many nice comments about how great the show was, from the exquisite quilts, to the hospitality shown to our vendors and members. The vendors are always so impressed by the meals that our members serve them during the show.

Next year the show dates will be April 7 and 8, 2017. Put these dates on your calendar and get ready to create some more beautiful entries to share with our visitors.

Again, we thank you for all that you do for QGOA!

QGOA Day Retreat

Note on your calendar for our Fall Day Retreat which will be September 29 - October 1, 2016.

Registration will begin at the July 12th guild meeting.

Dear Ones. Another month of collecting incredibly beautiful Linus quilts/blankets donated by our guild for children in need. Our donations go to JPS, Children's, Harris, CASA, HCA, and so many other locations. Project Linus offers quilts of comfort to children 0-18 years of age. Of course Linus also gives to Snowball Express. These blankets are delivered by devoted volunteers that piece, assemble, sandwich, label, store (in every nook and cranny at their respective homes), sort, account for (Linus requires record keeping) and deliver your donations for distribution to children enduring treatments and illness. Please accept their thanks for your kindness.

Special thanks this month to Janice and David Mowery for a most generous donation of 17 full bolts of fleece, Dell Rutledge, 2 afghans; Rose Redding, 2 fleece; Jane Owens, 1 top; Ella Rushing, 2 tops; Janice Farris, 3 complete quilts; Shelly Uggen; 1 quilt; Nancy Doers, 4 tops; Jolene Mershon. 7 kits; Elizabeth Carr, 1 top and borders for 2 tops; Patty Hofer, 1 quilt; Susan FitzGerald, 1 quilt; Rosine Barnett, Robbie Colley and my apologies to anyone I did not get written in my log.

Project Linus meets the 2nd and 4th Thursdays of the month at Southcliff Church at 4100 SW Loop 820. Just Northwest of the old Granbury Rd exit off 820. We meet from 9- 3ish and bring our own machines, knitting, crochet, sewing notions, sack lunches and whatever "show and Tell" we have. Please try to join us on our meeting days- we park in the church parking lot and chat and solve world problems while our machines are whizzing along those seam lines. If you are not able to join us and have a donation, please stop by to drop off you item and see the beehive of activity.

The Hospitals request little one's quilts size 40 x 44
Big kiddos size 57 x 40. These sizes as a minimum.

Project Linus can use your donations of fabric, batting, notions, just about anything that you are tired of looking at (well fabric wise-we don't want any relatives or such) and if like me, you are tired of moving stuff around think of Linus to repurpose it.

If you are looking for a reasonably simple or darling new quilt pattern www.projectlinus.org/patterns has some precious ideas. Quiltmaker magazine graciously creates a new pattern every year specifically for the children of Project Linus and this year's and past year's can be found at www.quiltmaker.com/patterns/projectlinus.html.

Hope these sites will inspire and motivate you to attempt something new that is not too intricate and can go together rather quickly.

The kit fairy has been busy buzzing out some kits and all that fleece will be made into adorable fleece cover-ups.

Please remember the work we do for the guild and our community enriches us and generations to come.

Sew Happy,
Elizabeth Cooper

Quilters' Guild of Arlington Celebration Block

Makes One Twelve Inch Finished Block

Please review all instructions before making the block. Must be a light star in dark/medium background, block may be no larger than 12.5".

Need: 1. FABRIC A - 4.5" x 36" - MEDIUM TO DARK 2. FABRIC B - 2.5" x 20", plus 4.5" square - LIGHT that is suitable for name to be seen, no strong prints; 200 ct. muslin or plain fabric is suggested. 3. Batting - 13" square 4. 13-14" square backing fabric 5. Binding fabric - two 40 - 42" widths of fabric; cut 2.5" strips, miter for one strip, double fold

Cutting Instructions

*If you are going to heavily quilt, embellish or appliqué the block you may want to cut the pieces 4.5"x 5", then square up block to 12.5". Be careful to put star points on 4.5" side.

Cut 8* - 4.5" squares of medium to dark fabric - FABRIC A If using a fat quarter, cut along short side (18") must be at least 18"; two strips of 4.5". This will allow for 13" square for backing.

Cut 1* - 4.5" square light fabric - FABRIC B You may wish to embroider your name and „Member Since“ line before constructing the block

Cut 8 - 2.5" squares of same light fabric - FABRIC B

Cut 1 -13-14 " square of backing fabric, may be same as A or different

Cut two 3" squares of either your backing or binding material, for „hanging corners“

Cut 1 - 13 " square batting

Cut two (2) widths of fabric (40-42") cut 2.5" strips for binding.

Assembling Block - sew all seams with 1/4" accurate seam width

1. The star points are made using the stitch and flip method: Place a 2.5" sq. of fabric B in the corner of A with the right sides of the fabrics facing each other. With a pencil and ruler, mark a diagonal line on B from the corner to corner as shown. Sew on the line.
2. Trim patch 1/4" from sewn line. Press it gently to corner.
3. Repeat with another B patch on adjacent corner to create star points. Make total of 4 matching units for each of the star point units.
4. Join the matching units into rows with A patches as shown above; press the seams allowances toward the A's; middle row to B patch. Sew the rows together to complete the star block. Finish
1. Quilt the block. You may embellish and quilt as desired to personalize your block! It cannot be larger than 12.5" square, so do nothing to extend size or 'dangle' off block.
2. Please make two „hanging corners“, see below for instructions.
3. Sew on the binding to the block.
4. Sign block in at least 3/4-1" lettering in middle of center square with permanent fabric pen or embroidery. Include this line under your name: Member Since - fill in year you joined QGOA!

Hanging Corners - Corner Triangles for Hanging a Small Quilt

1. Cut two 3" squares of your backing or binding material.
2. Fold in half diagonally. Press.
3. Align the folded triangles on the back of the quilt to the TOP right and left corners, raw edges even. Pin. Double check you placed the corners on the top corners!
4. Sew on the binding in your usual method.

Blocks will be retained by the QGOA for future exhibits.

Block Party

Churn Dash (8-1/2" unfinished block)

June 2016

Fabric 1: Cut two (2) 4" squares for half square triangles

Cut four (4) 2" x 2-1/2" rectangles

Fabric 2: Cut two (2) 4" squares for half square triangles

Cut four (4) 2" x 2-1/2" rectangles

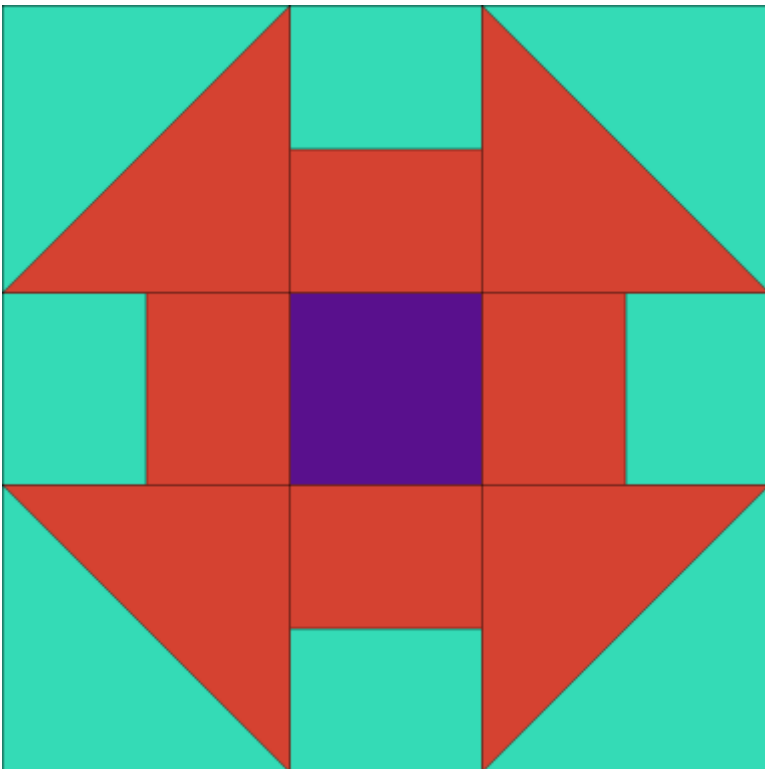

Fabric 3: Cut one (1) 2-1/2" square for center

Assemble half square triangles and square to 3-1/2". (Instructions for making HSTs are at the end of this document).

Assemble 4 units made of one each of the rectangles.

Assemble following the diagram.

Make 1 block.

Mystery Round Robin

Now that you have your 12-1/2" center square, and your first border that includes half-square triangles, let's talk about a floating border.

A floating border is often a strip of fabric that is used to make a pieced border fit. If your half-square triangles were 2" square, you now have a 16" square medallion. Let's say your next pieced border is 18" long, you'll want to add a floating border so it will fit. With smaller dimensions it's pretty easy to figure, because for this scenario you'll want a 1" border all the way around. But as your quilt grows, it can be more complicated to figure, especially if you're working with a rectangular quilt, rather than a square quilt.

There is a nifty formula you can use, and it's really quite easy. I'm math phobic, but I have learned to trust the math, and it really works!

You'll want to go ahead and make whatever pieced border you are going to make, just be sure to make it larger than each side of the center you're adding it to. Here's the formula:

Square Quilt

$((\text{Length of pieced border without corner block} - \text{width of quilt}) \div 2) + \frac{1}{2}"$ seam allowance = cut size of floating border

Rectangular Quilt

$((\text{top and bottom pieced border without corner block} - \text{width of quilt}) \div 2) + \frac{1}{2}"$ = size to cut the side floating borders

THEN

$((\text{side borders without corner blocks} - \text{length of quilt}) \div 2) + \frac{1}{2}"$ = size to cut top or bottom floating borders

For July, add a floating border and any kind of pieced border you'd like.

President's Block

To show appreciation for our past president's, guild members make a block of the president's choosing to give to her. Barbara Cain, our president in 2015, has decided on a Bow-Tie Block, in shades of blue or gray on a white or white on white background. These blocks will be going into a quilt for a boy, so please use fabrics that are not overly feminine. The block should measure 6-1/2" unfinished.

Directions are below:

White Fabric

- Cut two 3-1/2" squares

Blue / Gray Fabric

- Cut two 3-1/2" squares
- Cut two 2" squares

Sewing Instructions

- Draw a diagonal line on the back of the 2" squares
- Place the 2" squares right sides together with the white squares, matching one corner.

- Stitch along the diagonal line, and fold back, matching corners. Trim seam allowance to 1/4". Make 2.

Assemble your squares to make block.

TAGQ RALLY DAY

JULY 9, 2016

Rally Day 2016 will be a day filled with quilting fun, a great nationally know speaker, lots of Raffle Quilts and mini quilts, and as always PRIZES.

Arrive at Mimosa Lane Baptist Church at 9:00 a.m. for registration (1233 North Belt Line Road, Mesquite, TX). Admission is free with your Guild name badge or membership card. You can bring non-guild members but admission will be \$5.00 for the guests. The first 500 people through the doors will receive a goodie bag. You will have until 10 a.m. to look at the other member guild's raffle quilts and purchase your tickets. It would be a good idea to bring address labels to quicken the fill in process. You may also take this time to bid on the silent auction, purchase Rally Day pins, purchase raffle basket tickets, look at and purchase our speaker's wares, buy YLI Thread and find your seat. Be sure to look up at the big screen at pictures of your guild and fellow TAQG member guilds. The program will start at 10 a.m. with Kimberly Einmo as the speaker. There will be approximately one hour for lunch so it is a good idea to purchase tickets for lunch from your guild rep or download the form from the website and send it to the address on the form. You are welcome to bring your lunch as well if you like. During the lunch break you have another opportunity to purchase raffle tickets, bid on the silent auction items, buy YLI Thread and purchase Kimberly's wares. A drawing will be held for the rally day raffle basket at the end of the day. Door prizes will be drawn throughout the day. The day should end around 3 p.m.
