November Meeting – Robin Williamson Modern Quilting Presentation

Robin offers this program to show you various trends in design, quilting and fabrics that qualify a quilt as "modern" and help you to be better able to identify those qualities when looking at quilts and in creating your own. She also brings some of her own modern quilts as examples.

Here's her story:

I started dabbling in quilting during the late 80s, but found I didn't have a lot of time for it, especially during the 90s when I had a child and my graphic design business was really taking off. At some point I decided I needed to take a beginner class just to see what I could learn. When I showed the teacher a quilt top that I had made and told her that I actually liked the BACK as much or *more* than the front, she suggested that I might enjoy art quilting. Funny... I'd never even heard of the term before then and I thought she was insulting me!!! LOL. Little did I know that she was RIGHT, and just nudged me in the direction I was destined to go.

In 2010, a good friend invited me to a Dallas Modern Quilt Guild meeting. At that time I'd never heard of "modern quilting," and assumed it was about art quilting. So I went, and no... it wasn't art quilting, but I found the style, color and fabric choices fascinating, as well as finding the women in the group to be inspirational and really EXCITED about quilting! I was hooked. I still create art quilts, but have found I love working improvisationally on modern quilts and enjoy the modern aesthetic.

Please see Robin's Let Loose! Improv Workshop information and supply list, also in this newsletter. The workshop will be November 9, 2016 @ Sew Fabricated - \$40

Let Loose! Improv Workshop

Do you like the way improvisational piecing looks, but figure there's no way you could do it? Does it even make you nervous?

Get ready to have fun and let loose!

Robin will lead you through a workshop where you will learn a simple method of improvisational piecing. You will create improv blocks that can be made into a small quilt, or can be starter blocks for other projects. She'll coach you to follow your gut as well as step outside your comfort zone. Turn those sweaty palms into high fives of victory!

Let Loose! Improv Workshop

Supply List

General Supplies:

- Sewing Machine and typical sewing supplies (scissors, neutral thread, pins, etc.)
- Cutting tools (smallish mat, cutting rulers, rotary cutters)
- Iron and small ironing surface (optional, but you will be glad you have it)
- If you've got a Strip Stick, bring it (totally optional)

Fabric:

This is a great opportunity to use solids. However, if you love prints or batiks, bring some that you think might play well together. I do suggest bringing some solids that might work well with them. You'll see in my examples that I might use either. I also love stripes for this technique—especially solid stripes with some impact (see below). If you're willing to share, it can be a lot of fun to sample from each other's stash, as well.

- A variety of **solid fabrics** cut into strips in a variety of widths (i.e., 1", 2", 4" or .75", 1.5", 3, etc.). Two-three strips each width, per fabric should be plenty to start (five-seven different fabrics absolute minimum, 10-12 or more would be even better). Include some fabrics that add nice contrast (darks/lights as well as mediums). Be sure to cut these ahead of time so that you're not wasting class time cutting. Length of your strips doesn't matter. They can be width of fabric (WOF), width of a fat quarter, or just a scrap. The longer your strips, though, the more options you'll have. Then bring some larger chunks of solids (fat quarter and smaller) so that you can cut some other sizes as you see fit.
- **Stripes** (optional) for a fun accent... Don't cut these yet, keep them intact so that you have more options.
- A background solid fabric. Not sure what you'll want to use? Bring some options. You will not need to cut this into strips in advance.

Some types of stripe patterns that might work well:
Can be colorful!
Also, black and white fabrics can add a really nice pop!

January Meeting - Shannon Brinkley

Be sure and sign up for her workshop now!

Shannon Brinkley is a quilt / textile designer, author, and national speaker and teacher based in Austin, Tx.

Shannon has always been drawn to any craft involving textiles. As a young girl, she explored weaving, embroidery, knitting, garment sewing, among others, and began quilting in college, where she fell completely in love with the craft. Inspired by her love of fabric and the texture, Shannon wrote the book *Scrappy Bits Applique*, where she teaches how to turn scraps of fabric into gorgeous, modern art quilts by collaging a variety of fabrics, vintage and new, with different colors, tones, and patterns to create really interesting and unique textures.

A former elementary teacher, teaching remains a huge passion of Shannon's, and she speaks and teaches her modern quilting techniques across the US.

Learn how to take tiny scraps of fabric and turn them into gorgeous, modern quilts using Shannon's signature technique— Scrappy Applique. Have you been afraid to try applique for fear that it'd be too tedious? Fear not! This technique is quick, easy, fun, and allows for a lot of creative possibilities. Are you a more advanced quilter looking for something new to try? Welcome— Shannon has developed many finishing options that range from beginner to expert; you will explore this fun method and create something completely unique.

Kit available for \$47

Turn your fabric scraps into something beautiful and useful with the Scrappy Applique Kit. Don't worry about searching all over to find the right interfacing, stabilizer, fusible web, etc-- The Scrappy Applique kit includes *everything* you need for several Scrappy Applique projects (with the exception of the fabric and coordinating thread).

President's Block

To show appreciation for our past presidents, guild members make a block of the president's choosing to give to her. Barbara Cain, our president in 2015, has decided on a Bow-Tie Block, in shades of blue or gray on a white or white on white background. These blocks will be going into a quilt for a boy, so please use fabrics that are not overly feminine. The block should measure 6-1/2" unfinished.

Directions are below:

White Fabric

- Cut two 3-1/2" squares

Blue / Gray Fabric

- Cut two 3-1/2" squares
- Cut two 2" squares

Sewing Instructions

- Draw a diagonal line on the back of the 2" squares
- Place the 2" squares right sides together with the white squares, matching one corner.

- Stitch along the diagonal line, and fold back, matching corners. Trim seam allowance to 1/4". Make 2.

Assemble your squares to make block.

Selvage Block (12-1/2" unfinished)

December 2016

Make 1 block.

Fabric: Muslin, or similar lightweight fabric

One Bold Print

Variety of selvages—cut selvages at least 1-1/4" wide or wider, and in a variety of lengths

Muslin: Cut four 6-1/2" squares for foundations. On one side of each foundation square, mark the center of the square for later trimming.

Bold Print: Cut four 1-1/2 x 10-1/2 inch strips

With the unmarked side of the foundation square facing up, place one of the bold print strips RIGHT side facing up on the foundation block along one diagonal. Pin in place.

Choose a selvage that is long enough to cover the foundation, and place the selvage edge over the raw edge of the bold print. Stitch in place, close to the selvage, being sure to catch the bold print underneath. Repeat this process with the next, smaller piece of selvage, until the one half of the foundation is covered.

Repeat on the other side of the foundation.

Repeat to make 4 foundations. Stitch the foundations together as seen in the photo.

New Member Sit and Sew

Watch your email for a reminder about the November New Member Sit & Sew. There will not be a formal meeting in December, as it's December, and everyone is busy.

Bylaw Changes

There were two Bylaw changes presented to the Board by Denny Cornet as representative of The Budget Committee.

The Budget Committee recommended to the QGOA Board that the bylaws be amended to provide that a forecast be created for expenditures for the years beyond the current year budget. The Budget Committee will create a forecast annually, and that forecast will be included with the current year budget presentation to the Board and the membership.

The Budget Committee also recommended to the QGOA Board that the Bylaws be amended to give the Program Chair the responsibility and authority to commit QGOA for a program or programs beyond the current year and current budget. Any verbal or contractual commitment in excess of \$3,000.00 will be presented to the President for approval and/or signature.

The QGOA Board approved the Bylaw changes and hereby presents them to the Membership. They were emailed to all members and printed in this Newsletter prior to the November general meeting. We will vote on them at the November meeting.

Add to Article VIII.SectionF.2.b the following:

The Program Committee Chair shall have the responsibility and authority to commit the Guild for a program or programs beyond the current year and current budget. Any verbal or contractual commitment in excess of \$3,000 will be presented to the President for approval and/or signature.

Change Article VIII.SectionF.4.d.

It currently reads: The Treasurer shall do the following: d. Head a Budget Committee which shall present a budget to the Guild membership in November with approval voted in December.

Recommended change: The Treasurer shall do the following: d. Head a budget Committee which shall present a budget for the upcoming year as well as creating and presenting a forecast for future expenditures and obligations.
