

# QGOA – Be My Neighbor Quilt (Along)

This **FREE quilt along** will run over 19 weeks. There are 16 quilt blocks that create this neighborhood. We hope this will be a skill building experience. This adorable quilt was offered as a free QAL through Moda. The finished quilt size is: 68" x 84.5". The first block is 18.5" x18.5," just to give you a little perspective. This quilt has a little bit of applique (the birds and flowers), but the birds can be left off and the flower could be a button or yo-yo or something else creative. This quilt can be done scrappy using up some of your fabric stash or find a collection that you keep petting and need to finally break into.

In addition, there will be added incentive to participate in the QAL . . . weekly prizes and a final grand prize! In order for you to be entered into the QAL for the weekly prizes you will either post your pictures of the weekly goal/block to Quilters' Guild of Arlington Facebook page or send an email to

Amysteiner@hotmai.com. Then I will share the pictures that come via email on Facebook. Remember, there will be a random prize(s) drawing each week for those individuals that have posted/mailed their weekly goal/block pics.

The **GRAND PRIZE** will be a random drawing from those people that have posted/mailed a photo of their finished quilt top. Don't panic, after the finishing instructions have been provided you will have 2 weeks to complete your "neighborhood". Remember, all your blocks are done at this point and you just have the sashing and borders left to do. Finally, you will post/mailed your finished quilt top photo and be entered to win this grand prize...
