

# QGOA – “Snap Shots” Quilt Along

This **FREE quilt along** will run over 14 weeks. There are 12 quilt blocks that create this adorable quilt. We hope this will be a skill building experience. This adorable quilt was offered as a free QAL through Fat Quarter Shop. The finished quilt size is: 66.5" x 88.5". The first block is 12.5" x 16.5" just to give you a little perspective. If you are up for the challenge, we will be sending out the miniature cutting directions as well, which measure 6.5" x 8.5". This quilt can be done scrappy using up some of your fabric stash or find a collection that makes you smile and has been calling your name.

In addition, there will be added incentive to participate in the QAL . . . weekly prizes and a final grand prize! In order for you to be entered into the QAL for the weekly prizes you will either post your pictures of the weekly goal/block to Quilters' Guild of Arlington Facebook page or send an email to [Amysteinert@hotmail.com](mailto:Amysteinert@hotmail.com). Then I will share the pictures that come via email on Facebook. Remember, there will be a random prize(s) drawing each week for those individuals that have posted/emailed their weekly goal/block pics.

The **GRAND PRIZE** will be a random drawing from those people that have posted/emailed a photo of their finished quilt top. Don't panic, after the finishing instructions have been provided you will have 2 weeks to complete your "snap shots". Remember, all your blocks are done at this point and you just have the sashing and borders left to do. Finally, you will post/email your finished quilt top photo and be entered to win this grand prize...

The first block was accidentally emailed out early (I think I got excited and wanted to start), but will have the same deadline as if it were mailed out on September 20, 2021. Facebook posting and emails will be due Sunday night by 11:59 PM the night before the Monday blocks are posted. For example, the first block would have been posted on September 20, 2021 and needs to be posted or emailed by 11:59 PM on September 26, 2021.

Now that you have the details you can RUN to your fabric stash or your nearest quilt store to pick your fabric.

Happy fabric gathering,

Amy Steinert & Kayleen Farrington
