

# BLOCK 7 - FLYING GEESE (make 28) - Finished Size: 4½" x 2¼"

Technique: Diagonal Corners, Method 2

## Cutting

From each of fabrics D1 and D2, cut:

- 2 strips 5" x 42".

From fabric A2, cut:

- 8 strips 2¾" x 42".

For a different block size:  
Cut wider strips wider width  
of block unit plus ½". Cut  
narrower strips narrower width  
of block unit plus ½".

Block 7

*Note: It is important to use a scant ¼" seam (slightly more than 3/16") so the seam will not show on the finished block. Do not press seams open.*

Sew fabric A2 to fabric D1 or D2 with scant ¼" seam.

Repeat for other side. Press seam lines. Make 4.

Cut each 42" sewn strip into 14 units 2¾" wide.

Line up corners on fabric A2 with needle and red sewing line on Ultimate Seam Guide for sewing, or mark a diagonal line from corner to corner and sew on the line.

Sew diagonally.

Press seam lines. Trim seams to ¼".

Press to corner.

Pull fabric A2 slightly at corners to remove stitches from previous seam before pressing.

Sew diagonally.

Press seam lines. Trim seams to ¼".

Press to corner.

To prevent corners from being pulled into feed dogs, sew from inside corner to outside corner.

Sew 2 different units together to complete the block.

For more detailed instructions visit [www.amc-quilts.com/tutorials.html](http://www.amc-quilts.com/tutorials.html) (Strip-Pieced Flying Geese).

TIP: The pre-sewn triangle cut-offs from Block 7 can be sewn together in matching groups of 4 to make bonus blocks to be used in a different project.
